**Shiv Visvanathan** is an Indian public intellectual and social scientist best known for his contributions to developing the field STS, and for the concept of cognitive justice a term he coined. He is Professor at O P JGU, Sonapat and the Director of Centre for the Study of Knowledge Systems. He was Professor at (DA-IICT), Gandhinagar, India and has held the position of Senior fellow at CSDS in Delhi. He has also taught at the Delhi School of Economics.

**Shiv Visvanathan**

He has held visiting professorships at Smith College, Stanford, Goldsmiths, Arizona State University, Maastricht University and holds SAARCHI chair at University of South Africa. He is author of Organizing for Science, A Carnival for Science, and Theatres of Democracy. He has co-edited Foulplay: Chronicles of Corruption.

He is a regular columnist at The Hindu, The Deccan Chronicle, DailyO, Scroll.in and The Asian Age and contributes to popular magazines like Open, India Today and Governance Now. His popular writings touch topics as wide as science, cricket, anthropology, development, intellectual history, and walking.

#### **The Nirman Foundation**

Established by Shri C.R. Parekh and run by Dr. Chandrakant Shroff and Lord Bhikhu Parekh, the Nirman Foundation supports educational and welfare activities in India, UK and the US. The Foundation has instituted the annual lecture series on Democracy at the Institute of Social Sciences in 2013.
